

The proud North Louisiana community of Bossier City (74,000) boasts the Bossier Civic Center, the newest and most functional meeting and convention facility in the region. Located on Benton Road just off Interstate 20 and I-220, the center is

There are no restricted sight lines on the Civic Center floor making it an extremely versatile facility.

part of a massive Municipal complex sitting on twenty beautifully landscaped acres complete with reflection pool and ample parking.

Inside, our state of the art amenities are comparable to facilities you'd expect to find in larger cities. Aesthetics have certainly not been overlooked, as attention to detail is evident throughout the center. The lobby is particularly attractive and

serves as a greeting place or a break area during conventions, concerts and trade shows.

The staff is courteous and professional and strives to accommodate your specific needs.

Clients have included: industrial trade shows, conventions, consumer shows, government meetings, presidential forums, craft shows, Mardi Gras balls, cotillions, high school and college reunions, keynote speakers, religious retreats, touring education expositions, proms, Christmas pageants, symphony performances, rock and country concerts, comedy shows, boxing, wrestling and so much more.
